iPhone Significant Videos

LAS VEGAS METROPOLITAN POLICE DEPARTMENT
Sheriff Kevin McMahon

- 10-minute end of life video
- Identified several Boulder City locations as well as electrical substations as targets.
- Repeatedly stated he intended to die.
- “Almost did something like this before.”
- Two videos from May 2025 show mental instability and discussion about “chickening out” from “doing it.”
- In a video from August 2023, MALONEY attempted to build a Glock firearm from individual parts and an apparently 3D printed lower. He broke one of the pieces and just wound up taping the slide and lower together as a “prop.”

Maloney Radicalization

LAS VEGAS METROPOLITAN POLICE DEPARTMENT
Sheriff Kevin McMahon

- The investigation confirmed that Maloney may have previously planned an attack at his University.
- Digital evidence containing animal cruelty videos and mass shooting videos (gore) content.
- Information was located that he has been prepping since 2021 and that he was having feelings of committing an attack since 2018.
- Albany and Saratoga County have no history of diagnosed mental health issues or records for Maloney.
- Maloney's roommate's girlfriend stated that Maloney's behavior started to change around the end of 2025.
- All associates, some professors and family members were interviewed.
