

PUBLIC ASSISTANCE COVID-19 CORONAVIRUS RELIEF FUNDS FAQ

The U.S. Department of the Treasury has updated their list of frequently asked questions for the Coronavirus Relief Funds (CRF). This recent update includes addressing whether their CRF funds can be used toward the FEMA PA cost-share. That portion of the document reads:

“May funds be used to satisfy non-federal matching requirements under the Stafford Act?”

Yes, payments from the Fund may be used to meet the non-federal matching requirements for Stafford Act assistance to the extent such matching requirements entail COVID-19-related costs that otherwise satisfy the Fund’s eligibility criteria and the Stafford Act. Regardless of the use of Fund payments for such purposes, FEMA funding is still dependent on FEMA’s determination of eligibility under the Stafford Act.”
