

PUBLIC ASSISTANCE BULLETIN –UPDATED COVID-19 PA PROGRAMMATIC DEADLINES POLICY BULLETIN #74 - 4/4/23

FEMA Updates COVID-19 Public Assistance Programmatic Deadlines Policy:

FEMA announced that the COVID-19 incident period closes on May 11th, 2023. Since this update, FEMA released an updated policy to provide additional guidance to applicants and sub-applicants.

The "[Coronavirus COVID-19 Pandemic: Public Assistance Programmatic Deadlines Policy Version 2](#)" policy outlines various deadlines for state, local, tribal, and territorial governments as well as private non-profits. These deadlines will ensure governments and eligible non-profits submit project applications to account for work performed during the past three years and enable FEMA to process funding for all costs that are eligible for federal funding.

Cost Share Application

Cost Share	Work Conducted
100% Federal Funding	Costs for work performed and items used or distributed for use on or after January 20, 2020 through July 1, 2022.
90% Federal Funding	Costs for work performed and items used or distributed for use on or after July 2, 2022 through May 11, 2023.

Please submit your projects as soon as possible through FEMA's Grants Portal. If you have questions or need additional assistance, please email disaster-recovery@dem.nv.gov.
