

PUBLIC ASSISTANCE COVID-19 STREAMLINED APPLICATION UPDATE BULLETIN #26 – 5/5/20

FEMA has released an update to their Streamlined Project Application. Previously, this application was to be completed via PDF and uploaded into the system. The update now allows you to enter your project applications in a new online application directly through Grants Portal.

FEMA will NO LONGER accept the Streamlined Project Applications in PDF format. All project applications **must** be submitted using the new online application.

This new update has added the required questions, information, and will provide a list of the required documents based on the Applicant's answers and specific circumstances. An electronic signature functionality has been added to allow for signatures from preparers and authorized representatives.

This Applicant Brief, DEM Bulletins, FEMA Fact Sheets, and additional recovery resources can be found on the DEM Website at: <https://dem.nv.gov/COVID-19/home/>
