City CERT in preparation for the CERT Basic Academy. Provided planning assistance to Washoe County CERT in preparation Basic Academy. All tasks and milestones are on schedule. *(updated 4/15/2020)*. This grant has been expended and closed.

Division of Emergency Management, Nevada DPS/Public Information, and Warning: This project provides sustainment of the currently operating Emergency Alert System (EAS) and provides for an enhanced Public Information and Warning Program to the public, managed within DEM. Additionally, the projects within this investment produce and deliver a broad range of public information and warning messaging. This includes video content for social media platforms, state websites, TV, and radio broadcast. This messaging will cover the threats and hazards to Nevada as identified in the THIRA. This messaging promotes education, and awareness of the five cornerstones in emergency management: prevention, protection, mitigation, response, and recovery to both the public and private sectors. DEM will collaborate and share all content developed within this investment to partners in all jurisdictions and Tribal Nations across Nevada. The end goal is to better prepare all of Nevada in the event of an emergency through comprehensive public information and warning. Public messaging (PSA's) for preparedness has been approved and distributed through social media platforms and radio for the months of January, February, and March of 2019. The EAS subscription has been sustained to date. As of July, August, and September 2019 the project continues to build upon Nevada's ability to quickly send alerts and warnings using the Common Access Protocol through digital means. This grant has been closed and \$1.37 has been deobligated.

DEM, Nevada DPS/NIMS: The NIMS Program and its components set the foundation for the core capability of Operational Coordination, which crosses all Mission Areas of the National Preparedness Goal under PPD-8. Further, this project meets the Nevada Commission on Homeland Security FFY 2018 priority of Operational Coordination. NIMS includes three components: Resource Management, Command and Coordination, and Communications and Information Sharing. These are foundational to all other core capabilities identified by the Nevada Commission on Homeland Security. This project will support continued improvement in NIMS-compliant Planning, Training, and Exercise Programs, as well as support the Statewide Resource Management Program and Credentialing Project for physical, logical, and incident access control and identification verification. This Investment respects current funding balances from HSGP 2016-2017 grant years and bridges those investment endpoints and projected program completions with requirements and projects to be phased in or initiated in 2019 continuing a legacy of sustainment and continuous improvement for programs that serve and support all local, state, and tribal jurisdictions across Nevada.

Tribal NIMS: *As of 12/31/19 QPR, a baseline survey was conducted of the 27 Tribes in NV and the return rate was 48%. The results will be used to conduct ICS training courses and technical assistance for NIMS compliance.*

Technology: *For the reporting period ending 3/31/19 all VTC installations and camera control systems have been completed. Systems have been tested and put into operations. An alternate Charter circuit was installed to provide backup. Endpoint registration made on 1 of 3 VTC Codecs evaluating need for registration. Endpoint registration was not completed, there were failures challenging the VTC operations and resolved through the service provider. Systems now*

operational in the SEOC, ECR, and training rooms. Video screen distribution from the Smart Board completed in training room. These systems support and improve upon the interoperable communications between the state and the emergency management partners. All tasks/milestones are complete with the exception of the completion of the jurisdictional VTC system report that is identified as behind schedule. (updated 6/26/19) The project completion was delayed while purchasing nad finance staff completed the training necessary to implement purchases. Vender bids were provided but due to the delay were out of date and required rebidding. (updated 9/30/19.) Vender quotes were solicited but due to the holidays there were only two proposals submitted. Purchasing of equipment has been completed and training is commencing (updated 12/31/19.)

Training: *Maintain the NIMS training program statewide. Maintain and train stakeholders/multi-jurisdictional personnel and all position preparedness for the SEOC Taskbooks for all hazards; provide NIMS technical assistance to jurisdictions, maintain a list of approved training instructors for NIMS related training; regularly review and update training standards; review/update/execute the multi-year training and exercise plan; and facilitate the Nevada Training and Train-the-Trainer plan. The program continues to recruit qualified instructors for ICS, Basic Academy and the All- Hazards training classes. The Nevada Preparedness Summit was held in Reno, Nevada February 11-14. The FEMA Basic Academy has been completed. As of December 2020 training has resumed with ICS 300, 400, G191, EOC 0305, All Hazards Incident Management L0958, and L2300 EOC Functions.*

Exercise: *Maintain and sustain the Nevada NIMS Exercise capabilities through the multi-year training and exercise plan, plan/conduct/review provided resource supporting activities for multiple exercises to include the annual Capstone exercise, provide technical assistance to the emergency management and community at large to exercise preparedness efforts, maintain AAR/IP database and utilize as resource for stakeholders, and assist with training HSEEP. As of January 2021 received 12/31/2020. Exercise development continues. This portion of the NIMS grant has been expended.*

Planning: *Conduct three core assessments in Threat and Hazard Identification and Risk Assessment (THIRA), State Preparedness Report (SPR), and NIMS assessment to assess current gaps in NIMS compliance and capabilities.*

DEM, Nevada DPS/Tribal NIMS: This is an Operational Coordination project supporting the tribal Emergency Managers NIMS planning, training, and exercise activities. NTECC had halted deliveries but does provide technical assistance to the tribes. Updated 9/30/20. As of 10/30/22 this grant has been closed.

Elko County/Northeastern Nevada CERT: This CERT program serves the largest geographic area of the state that includes frontier and rural areas in five (5) counties. This Operational Coordination project supports the Coordinator, operational supplies, recruitment needs, training requirements, and exercises with volunteer community members. This CERT program is an integral and active participant in the Elko County LEPC involved in emergency response, planning, and engaging the whole community. As of 4/16/2020 the program continues to perform

outreach and presentation in Wells, Carlin, and Elko as well as continued partnerships with ARC, Battle Mountain LEPC, the Carlin Senior Center, the Carlin Community, and Elko EOC support. This grant is closed and \$2,105.31 has been deobligated.

Henderson/Regional Hazmat Capability: This project is to support the enhancement of the Las Vegas Urban Area related to intelligence and information sharing and operational coordination. Through the purchase of equipment that will be used in identifying unknown chemicals (solids, liquids, and gas), this project will enhance HFD's response capability by increasing its Hazardous Materials Team to a Type II designation. The remote air monitoring equipment will help HFD and LVFR enhance the capabilities of continuous air monitoring and response and preventative mission to keeping our community safe. The sub-grantee has received the devices and has put them into service, and is in the process of creating and implementing the Interlocal agreements as of QPR dated June 2020 received 7/21/2020. This grant has been closed having been completely expended.

Investigations Division, Nevada DPS/Fusion Center aka the Nevada Threat Assessment Center (NTAC): The Nevada Threat Analysis Center (NTAC) is the Department of Homeland Security (DHS) recognized state fusion center with an Area of Responsibility covering 16 of 17 counties (excluding Clark), with interests across the entire state (all state agencies and Tribal Nations) and the Office of the Governor. As a critical component of the United States Homeland Security and counter-terrorism enterprise and the National Network of Fusion Centers, the purpose of the NTAC is to gather, receive, analyze, and disseminate information from and to other intelligence partners within the state, local, tribal, and federal agencies in an effort to detect, deter, prevent, and/or mitigate terrorism and other criminal activity. This sub-grant is to sustain NTAC programs, operations, and staffing in accord with the fusion center baseline capabilities; and critical operating capabilities to include Intelligence and Information Sharing and Screening, Search, and Detection.

The DHS approved performance measures include sustain operations to meet the Fusion Center Baseline Capabilities, Critical Operating Capabilities, Enabling Capabilities, and Cross-cutting Capabilities and Participation in the DHS Annual Fusion Center Assessment to aid in the evaluation of the National Network of Fusion Centers. As of 10/31/2020 for period ending 9/30/2020 grant funds were used to support salary payments, consumable supply purchases, training expenditures, and the Traffic Jam analytics program license. As a result of the COVID-19 outbreak and the inability to travel, training that requires travel has been suspended with the exception of that training that can be conducted online. These grants have been closed for FFY18.

City of Las Vegas MMRS – PPEs: the purchase and distribution of required PPEs to protect the responders to the COVID -19 outbreak. As of 7/29/2020 significant progress has been made in identifying the PPE needs for participating response agencies including LVMPD, Clark County, Henderson, No Las Vegas, and Mesquite. As of the 8/19/2020 QFR this grant has been completely expended.

City of Las Vegas Fire & Rescue/MMRS – Sustain: the MMRS capabilities throughout Southern Nevada through the support of the coordinator, public health, fire, EMS, and law enforcement. The program participants conduct and participate in NIMS/ICS training, review and updating

plans, policies, and procedures, and maintain capabilities, replace ballistic equipment, and purchase MCI equipment. Equipment has been received and distributed pursuant to the grant requirements and as of 11/4/2020 the grant has been closed.

City of Las Vegas/CERT: Coordinate, provide supplies for, and training community members in Community Emergency Response Teams to assist designated first responders in disaster/emergency situations within their communities. As of 7/30/2020 classes and training have been temporarily suspended because of the COVID-19 outbreak. As of 9/28/2020 the city has not been able to use the balance of funds on the SHSP grant (\$41,710) and the UASI grant (\$102,647) so the city EM has decided to deobligated these funds and close these grants.

City of Las Vegas Fire & Rescue/CBRNE Unit 2018: This Operational Coordination project will culminate in the purchase of a replacement CBRNE unit that has reached its end of life. The unit is used in the mitigation phase of hazmat incidents. This unit is capable of air and radiological monitoring, detection, research space, communications between agencies, situational awareness information gathering, and sharing. As of the 1/27/21 (QPR 12/31/2020) the Platform is being built by the vender and is expected to be a 400 day built time. Second PCR extension request was denied because it was not within 90 days of the first extension. PCR extension to 3/31/22 approved. CBRNE unit received and grant was fully expended. The grant has been closed.

City of Las Vegas Fire & Rescue/MMRS: Competitive the MMRS capabilities throughout Southern Nevada through the support of the coordinator, public health, fire, EMS, and law enforcement. The program participants conduct and participate in NIMS/ICS training, review and updating plans, policies, and procedures, and maintain capabilities, replace ballistic equipment, and purchase MCI equipment. Equipment has been identified and purchases are underway, however because of COVID-19 related delays the completion times have been extended. CLV is applying for an additional extension. Updated 2/11/2021 for the December 2020 QPR. Grant closed with \$4,543.68 being deobligated.

City of Las Vegas Fire & Rescue/Radiological Monitoring: This Operational Coordination project sustains the radiation isotope identifying devices that have a wireless transmission of spectra for “reach-back” purposes. This allows rapid identification of radiological isotopes providing the opportunity for expert guidance to be provided early in an incident. Sub-grantee has purchased and received equipment and Interlocal agreements have been sent to LVMPD and Henderson fire for review and approval. (Updated as of 7/22/2020 for the April to June 2020 time frame.) Equipment purchases have been made and interlocal agreents have been completed. LVMPD has declined the unit for them. The grant has been closed with \$245.00 being deobligated.

Las Vegas Metropolitan Police Department/CBRNE ARMOR: This Intelligence and Information Sharing project provides for sustainment and enhancement activities to rapidly detect and locate radiological and nuclear materials for the ARMOR(Multi-agency and jurisdictional team) unit that is shared within Clark County and jurisdictions throughout Nevada. This project is to sustain and replace equipment that is 13-years old that has reached its end of life and was originally funded federally. As of 1/27/21 the UASI grant: the robotic Platform is being constructed by the vendor. The SHSP grant has been completed. Updated as of 3/17/21 for the 2/28/21 QPR. This grant has been closed with \$5,900.56 being deobligated.

Las Vegas Metropolitan Police Department/MACTAC Training Equipment CCTA: This project supports enhanced Operational Coordination through training and equipping the Regional MACTAC housed within LVMPD for Complex Coordinated Terrorist Attack(s) and active assailant. On schedule as of 3/17/21 for the 3/31/21 QPR. Final payment and grant closed.

Las Vegas Metropolitan Police Department/Fusion aka Southern Nevada Counter-Terrorism Center (SNCTC): The primary core capability this project supports is Intelligence and Information Sharing. The SNCTC collaborates with state, local, and federal partners to deter, detect, prevent, and/or mitigate terrorism, hazards, and other criminal activity.

The Las Vegas Metropolitan Police Department (LVMPD), the host agency for the SNCTC, administers this project. In addition to LVMPD staff there are 21 partner agencies represented to include: The Federal Aviation Administration, Henderson Police Department, Department of Homeland Security - CFATS, Department of Homeland Security - ICE, Transportation Security Administration, Nevada National Guard, Department of Homeland Security - Federal Security, Department of Homeland Security- PSA, Nevada Highway Patrol, Clark County Fire Department, Boulder City Police Department, North Las Vegas Police Department, Department of Homeland Security - Office of Intelligence and Analysis, Federal Bureau of Investigation, RRG Privacy Officer, Las Vegas City Marshals, Hoover Dam Police Department, Moapa Tribal Police Department, Southern Nevada Health District, US State Department, and the Clark County School District Police Department.

Activities supported with this sub-grant include sustainment of Fusion Center-centered professional organizations, operational services, subscriptions, warranties, travel support for meetings, trainings and conferences directly supporting sustainment of Fusion Center activities, software, hardware, and Strip Camera project support.

The DHS approved performance measures include Sustain operations to meet the Fusion Center Baseline Capabilities, Critical Operating Capabilities, Enabling Capabilities, and Cross-cutting Capabilities and Participation in the DHS Annual Fusion Center Assessment to aid in the evaluation of the National Network of Fusion Centers. UASI FFY18 Sustainment and Enhanced activities are on schedule. As of 1/27/21 and the 12/31/2020 QPR the sub-grantee is waiting for the receipt of the last PO to close this grant. As of 3/17/21 for 3/31/21 QPR, the last PO was received and processed, this grant is closed.

Secretary of State, Nevada/Netflow & Intrusion Detection: This Cybersecurity project will increase security of the county-based voter registration system through Intrusion Detection System (IDS) equipment and netflow monitoring of election system networks in Esmeralda, Eureka, Storey, Mineral, Lincoln, Lander, Pershing, White Pine, Humboldt, Churchill, Nye, and Elko counties. As of 10/4/19 report and the quarter ending 9/30/19 the IDS software has been installed on all 12 counties registration systems and is up and running. All grants funds have been expended and the grant is closed.

Shoshone Paiute Tribes of Duck Valley/Owyhee Dispatch Multidiscipline Center: This Operational Communications project is an outdated 9-1-1 dispatch system. Activities associated with this grant include expanding the local Public Safety Answering Point (PSAP) into the

Emergency Call Center concept making it compatible with the Next Generation 9-1-1 dispatching (NG 9-1-1) to serve the northern third of Elko County including the Duck Valley Reservation and surrounding communities. As of 1/30/21 bids have been received and are being vetted. Grant closed with \$517.84 deobligated.

Southern Nevada Health District/CyberSecurity: Develop RFP to select a vendor to design and implement cybersecurity monitoring services to meet Nevada needs. As of 3/11/21 Mosaic is currently monitoring the SNHD Cyber systems and is working well. There is a small balance on the grant that will be reimbursed this quarter which will close this grant. Grant fully expended and closed.

Southern Nevada Health District/Public Health Analytical SNCTC FTE: Continue funding FTE Public Health Analytical position to gather and share information and identify health-related threats locally and nationally with the Southern Nevada Counter-Terrorism Center (Fusion Center). As of 1/11/2020 the Public Health Analyst is charging grant as usual. Grant fully expended and closed.

Tahoe Douglas Fire Protection District/Tahoe Douglas Bomb Squad: This Operation Coordination sub-grant project is to replace a 13-year old robot and 9-year old digital imaging system. The new equipment builds a reliable platform to disrupt IED's, has 2-way communication, and allows remote video recording. This is a shareable resource and will serve the multi-jurisdictional region of northern Nevada. As of 7/16/19 the equipment had been purchased and put into service. The grant has been fully expended and has been closed.

Washoe County Office of Emergency Management – Statewide COOP: This project Phase VI and is to sustain and enhance Operational Coordination to review and update continuity of operations and continuity of government plans for local jurisdictions and state agencies statewide using the planning tool. As of the 6/30/2020 QPR the COOP program has been disrupted because of the COVID-19 Pandemic, but with virtual tools the project is very close to being back on schedule. These grants have been completely expended, except for a small deobligated amount of \$4.88 on the Sustain portion of the grant, and closed.

Washoe County Sheriff's Office/Consolidated Bomb Squad: This Operational Coordination project is to update equipment and technology used by the Consolidated Bomb Squad, specifically for an Explosive Ordinance Disposal tool. As of QPR dated 10/4/19 body armor has been implemented into bomb squad response SOPs. Accessories associated with the body armor are pending quotes at this time. Updated 1/20/2021 for the December 2020 QPR. The last of the ballistic equipment has been received and put into service. This grant is closed.

Washoe County Sheriff's Office/Cybersecurity: This is a sustainment and enhancement project for Cybersecurity activities to include specialized equipment and software to address cyber threats and responses to include prevention and preparedness. As of 10/15/2020 for the quarter ending 9/30/2020, because of the COVID issue funds were reallocated to update sustained software licensing. Both the Sustainment and Enhancement grants have been expended with small deobligations of \$150.38 and \$10.00 respectively and the grants have been closed.

Washoe County Sheriff's Office/Citizen Corps Program: The primary core capability of this project is Community Resilience, and the activities support operational effectiveness through continued training of community members and recruitment of volunteers. In 2018 the WCSO CERT was in the development stages of coordinating of Neighborhood Emergency Response Teams (NERT) that can be activated and equipped to respond in a shorter time frame to specific populated areas. The CERT will also facilitate the expansion of the Rail Auxiliary Team (RAT Pack) for increased safety and security awareness along the miles of rail lines in our Area of Responsibility (AOR). As of 12/30/2020 QFR (submitted 1/22/21) WCSO CERT continued to support the Regional EOC, and local outreach to local businesses and governmental agencies. These grants have been closed with deobligations of \$3,991.41 and \$23.59 respectively.

Open Sub-grants

DEM, Nevada DPS/HSWG: This sub-grant provides support to the Homeland Security Working Group that serves as the reviewer of annual grant requests by the Working Group members and provides recommendations to the Nevada Statewide Resilience Commission. This is an ongoing process as the funded projects are reviewed throughout the program period and preparing for the next funding cycle.

The standing HSWG, established in 2008 by an Executive Order through December 31, 2018, was replaced by the Nevada Statewide Resilience Commission after extensive assessment of the disasters and tragedy in 2017 resulting in the development of the Statewide Resilience Strategy and adopted by the Nevada Commission on Homeland Security on or about August 15, 2018. As of 10/30/22 there remains a balance on the grant without a QPR.

Division of Emergency Management, Nevada DPS/Statewide Recovery Plan (Implementation Phase 2): This project focuses on the sustainment of Operational Coordination through the improvement of the resilience and readiness for the previously funded recovery initiative. Activities will support Recovery Framework adoption, socialization with all stakeholders, training and exercise; Recovery Support Function Roll-out and Training; Preliminary Damage Assessment Tool and Training; and review and update of the Plan after Exercise and AAR has been completed. This project is on schedule with no obstacles identified as of 8/8/19. As of 10/30/22 there remains a balance on the grant without a QPR.
