Lemmon Valley Community Utility Information

Telephone / Landline Communication Service

The following phone companies have provided emergency contact numbers for service assistance:

- ATT (855) 475-8441 or local assistance at (775) 689-2727
- Sprint landline (877) 365-6413
- Charter Communications (855) 757-7328

These are the principal landline phone carriers identified for the Lemmon Valley area. If your service differs please contact your particular carrier.

If service assistance related to this flooding event is required, the individual carrier may be able to help.

Water Service

The water service provided for the Lemmon Valley area is split between domestic wells and the Truckee Meadows Water Authority. In the event of a problem with your water supply, if you have Truckee Meadows Water Authority service you should call **(775) 834-8090** as TMWA Emergency phone line. If you have a domestic well to supply water to your home you should heed water usage warnings posted for your area.
