Whereas, the condition of damaged transportation routes constitute an emergency, as contemplated by the terms of Section 125 and 120(e) of Title 23, U.S.C.; and

Whereas, as of February 10, 2017, the counties of Douglas, Elko, and Humboldt, and the City of Carson City, have declared states of emergency as a result of the weather system, which caused severe damages to public infrastructure and private property; and

Whereas, the counties of Douglas, Elko, and Humboldt, and the City of Carson City, have experienced a significant economic impact in providing emergency services resulting from the severe weather system and anticipate continued economic obligations resulting in financial hardship for short-term response and long-term recovery of the affected areas; and

Whereas, the counties of Douglas, Elko and Humboldt, and the City of Carson City, require the assistance of the state government to save lives, protect property, and protect the health and safety of persons in this state; and

Now Therefore, I, Brian Sandoval, Governor of the State of Nevada, pursuant to the authority vested in me by the Constitution and laws of the State of Nevada, hereby declare a state of emergency due to the heavy rainfall, significant flooding, and consequent danger to life and damage to property, including transportation routes and Federal-aid highways.
