- If you do not have a ZoomGrants account, and you attempt to Apply, the system will prompt you to set up an account. You must have a ZoomGrants account to apply for this grant.

NOTE: Apply for the Federal Fiscal Year 2025 HSGP by clicking on the **APPLY** button. Complete your FFY 2025 HSGP application. The system will only allow you to apply for the FFY 2025 HSGP

- The information within the application covers Pre-Application, Application Questions, Category Budget Totals, Line-Item Detail Budget, and Documents Uploads. Applicants must provide information for each question under each of the following tabs (*shown above*) to successfully apply for the FFY 2025 HSGP.

NOTE: There are tools built into the grant application. The application has Resource Documents with links that the applicant can and should use while completing the application, which is extremely helpful for our process.

- Once the application is complete, submit the application through the **SUBMIT** button. If there are errors, the system will list the **errors in red**. Please go back to each **error** and update the box with the required information. Once you submit your application, your application will become locked. If you have any necessary amendments, NV OEM will be able to unlock your application to allow changes until the deadline. **Once the deadline passes, no other applications can be submitted.**

NOTE: The applicant will automatically receive a notification that the application was sent. The applicant will also receive an auto-generated email confirming that NV OEM received the application. All the submissions will generate a log at NV OEM to refer to, as necessary.
